## BOARD SUGGESTS CHANGES IN LAW.

taken about giving names, and referred the letter to the superintendent, with instructions to confer with Dr. Chamberlain on the matter and act as he thought advisable.

A letter was received, asking that the pupils of the sixth grade of the Lincoln School be granted permission to hold an entertainment in the school for the benefit of Camp Pleasant January 31. The board agreed to suspend the rules and grant the permission, without precedent.

## Certain Amendments in Interest of Schools.

The recommendations in regard to the transfers and promotions of teachers were next taken up. Only two were not ratified by the board, those of Miss A. A. Wheeler and J. W. Cromwell, Jr., who were assigned to the seventh grade. These teachers, the discussion brought out, were put into the schools from the outside, to teach in the new Latin and Greek classes, which Dr. Chamberlain undertook to introduce. When these classes were given up these teachers had no places, and they were therefore appointed teachers in the seventh grade. Mrs. Terrell and Mr. Homer said they wanted to go on record as being opposed to the policy, because they thought it deprived teachers who have been longer in the service and who are graduates of the local normal schools of advances which they deserved.

## PER DIEM SALARY SYSTEM.

Plan of Retirement for Teachers to Be Recommended.

## ROUTINE BUSINESS MATTERS.

Transfers, Promotions and Appointments—Resignations Accepted.

## Changes Authorized.

That the board of education will take early action in recommending to Congress amendments to the present school law providing for a per diem system of payment of salaries to teachers, and other changes necessary, and providing for a plan of retirement for teachers, was indicated yesterday at its bimonthly meeting held in the Franklin School building. Routine matters were largely considered at the meeting. Several recommendations, signed by William E. Chancellor as superintendent before his dismissal, were presented to the board, and were approved. The new superintendent, Mr. Stuart, at the board, this being his first appearance there since his recent appointment. Dr. Evermann, vice president, was the only member absent from the meeting.
